     As a recent graduate poised to commence a gratifying journey in web development, I am actively seeking an entry-level position to apply my academic knowledge, practical skills, and fervor for crafting captivating websites. With a solid foundation in front-end technologies, I am eager to contribute to an innovative team while continually honing my skills in a professional environment.

Educational Details:

MCA Dr.B.R. Ambedkar University, Srikakulam
2024 CGPA:8.0/10

B.Sc Sri Balasai Degree College, Machilipatnam
2022 CGPA:8.64/10

Experience

Web Development Intern at Bharat Intern   **Nov 2023-Jan 2024**.

- Developed a professional portfolio showcasing a range of web development projects. Implemented responsive design using HTML and CSS to create an aesthetically pleasing and user-friendly interface. Incorporated JavaScript for interactive elements, demonstrating proficiency in front-end development.
- Successfully created a Netflix clone utilizing HTML, CSS, and JavaScript. Designed and implemented a visually appealing user interface reminiscent of the popular streaming platform. Demonstrated skills in responsive web design, dynamic content loading, and user interactivity.
- Engineered a weather website that provides real-time weather information. Utilized HTML for structure, CSS for styling, and JavaScript for fetching and displaying weather data. Demonstrated competence in integrating APIs and creating a seamless user experience for accessing weather updates.

Skills & Certifications

Technical Skills:

- **Programming Skills**: Python, Basics of C
- **Web development:** HTML, CSS, Java Script, Python basic to advanced
- **Database:** SQL

Certifications:

- Web development Certification from Bharat Intern, 2024
- Python Certification from Oasis Infobyte, 2023

Project

To-Do List:

     Developed an interactive and user-friendly To-Do List application using HTML, CSS, and JavaScript, showcasing proficiency in front-end web development. Implemented a clean and intuitive interface with HTML for structure, CSS for styling, and JavaScript for dynamic task management. Demonstrated strong problem-solving skills and attention to detail, creating a practical tool that enhances organization and productivity.

Achievements

- Being acknowledged as the best student in my under graduation reflects not only my academic prowess but also my holistic approach to personal and professional development.
- Served as the designated Class Representative during my post-graduation studies, demonstrating effective leadership and communication skills within a diverse academic environment.
